Motherson is a multinational, people-focused enterprise serving a diversified industry range with a broad range of products and services, and is one of the 22 largest automotive suppliers worldwide. With facilities spread across 41 countries and the strength of 135,000 employees, the company has a truly global environment where diversity and inclusion drive our culture. **PKC Group**, a member of Motherson Group is a trusted partner in the global commercial vehicle wiring harness industry. We provide our customers, leading industry expertise with a full-service concept of design capabilities and deliver tailored, cost-efficient solutions to them. Our unique know-how in managing the complexity of customised products and the ability to integrate into the customers operating environment provides a competitive advantage to our customers. If you are passionate about making an impact, we invite you to be part of our team.

Kempele, Finland or Tallinn, Estonia

Business Systems Specialist, Europe & South America region

Your tasks.

- IT Business Systems Development and support for specific systems. In this role, you will work region-wide in both Europe and South America and in global support tasks
- Leading or taking part in development projects and process support projects/tasks in cooperation with system providers and internal stakeholders
- Participating in onsite system implementations in factories
- Testing and defining corrective actions
- Preparing and updating training materials and documentation
- Training both key- and end-users
- Supporting key users during the installations
- Manning the helpdesk, supporting local key users

Your profile.

- To succeed in this role, you have a can-do attitude and the ability to take initiative
- M.Sc. or B.Sc. degree in, for example, IT, Engineering, Business, Procurement, Sales or Quality
- Previous work experience with business process knowledge a strong advantage
- Ability to approach problems and solve them in an analytical matter
- Good teamwork skills and excellent co-operation and communication skills
- Good training skills and effective influencing
- Fluent English language skills, both in written and spoken communication

What we offer.

- If you enjoy working in an international multicultural environment and have a passion for systems development, we can offer you the opportunity to become part of an IT team with a strong can-do attitude and team spirit
- Competitive employment benefits

How to apply.

- Send your free-form application together with your CV in English to PKC Finland HR, rekrytointi@pkcgroup.com or to PKC Estonia HR Manager Siiri Reedo, siiri.reedo@pkcgroup.com by Tuesday 2 November 2020.

Would you like more information about the job? Please contact Regional Business Systems Manager Outi Huhtala +358 40 7552 903 on 26 October at 9:00-10:00 and on 28 October at 10:00-11:00 or by email outi.huhtala@pkcgroup.com

The work is based in Finland (PKC Wiring Systems Ltd.) or Estonia (PKC Eesti AS).

If you are applying from abroad, please note that work will start as soon as we have found the right candidate, so a residence/work permit will be required according to country-specific regulations.
